

# Save Your Life with Knowledge from MHFIRE...

Use this information if your clothes ever catch fire!!

1. **STOP** immediately!

2. **DROP** to the ground or the floor!

3. **AND ROLL** over and over and over until the flames are out!

Do these things and you can help save not only your own life, but the lives of your family and friends! Want to learn **MORE** about Fire Safety Awareness and Education?

Log on to the Maryland Heights Fire Districts Website today and learn how you can help make a difference in your family, community and life!

**Log on now at: <http://www.mhfire.org>**
